

Diane Lynn

We are sorry to tell you that we lost another longtime member DIANE LYNN who passed away on Oct. 7, from pancreatic cancer . She was a member of our club in the early 1980s. She taught classes, competed and was a great dancer. Then in 1995 she received the Rising Star award from the CA Swing Dance Hall of Fame. She even was a hair dresser for many of our members and worked for 10 years at Carmen's Dance Shoe store. She was a great friend and a hard working person. She will be missed by all who knew her.
