

We have lost a wonderful friend and long time member of our club, Jim Warrender on October 11, 2013. He had a good family and a wonderful life. He served his country as a Marine in the Korean War, a fireman in his early years and a volunteer for the CHP. He was a big part of our dance club for many, many years as our Music Director and DJ. He loved swing dancing and music and always had a smile on his face for everyone, especially if a pretty girl walked by. We may have lost our good friend, but he will never be forgotten.
