## Margie Adams

## Mark Pablo

Margie's training started early, from years of ballet & contemporary dance to various partner dance styles. Swing quickly became a favorite. Fascinated with the communication in partner dancing, she has never stopped working on it. For 10 years, she was a requested guest instructor at annual European dance events. She also created the SwingFX performance troupe to provide dance entertainment for corporate events here in SD. Her enthusiasm and love of teaching is never-ending. She is trained in all styles of swing plus several other partner dance styles. Her reputation brings students back repeatedly as she is known for her well-connected partnering skills and her keen insight and ability to help students improve. She offers both private lessons & classes.

Mark started dancing at a very young age as a hip hop dancer in Hawaii. He eventually traveled to the U.S. and trained in West Coast Swing and Argentine Tango. Because of the incredible understanding of body mechanics he learned from his hip hop dance experience, he quickly went up the ranks in the West Coast Swing dance competitions. Mark trained with numerous Argentine Tango masters and brings this training to his tango dance classes and performances. He brings his compassion, his easy going disposition and extensive knowledge of body movement to his dance teaching. Facebook page @ MarkandChristann
