DANCE EXPERIENCE OF BOB AVILA

Bob has always had a passion for dancing. Upon moving to California he was very successful in local dance contests and therefore, encouraged to be a dance instructor. He taught at McVitties where he enrolled in an extensive training program learning how to be a Dance Diagnostician, not just a Dance Teacher. While at McVitties, he mastered the Bronze level of dancing then passed the Silver level. Later he started teaching at various night clubs and other dance studios where he taught a new dance that had become popular called "The Hustle".

After Passing the Gold level of dancing he was then asked to instruct teachers. Various studios would utilize him to train their teachers the art of "becoming a dance instructor" They had to have already passed their dance levels. One of his favorite dances became the West Coast Swing. The mastering of multiple dances has enabled him to incorporate other dance moves into the West Coast Swing causing it to be an exceptional dance requiring the least effort on the dance floor.
