

San Diego Swing Dance Club Presents

JT SWING TEAM

SEPTEMBER 15, 2019 | SUNDAY

1400 E. WASHINGTON AVE., EL CAJON CALIFORNIA 92019

In 2017, multi time world champions Jordan Frisbee and Tatiana Mollmann launched JT Swing Teams. This is the first of its kind in the West Coast Swing World. They create new choreography pieces twice a year, allowing dancers all over the world to improve their skills in one of the disciplines that helped J&T achieve so much success - through performing routines. There are two levels of dance performance teams, a Junior Varsity and a Varsity. There are teams in cities all over the world doing the exact same choreography to the same music. This enables dancers on teams from different cities and countries to meet up at a dance convention and perform the routines at the convention. Lauren Baldovi is the San Diego JT Swing Team Director of the JV and Varsity teams. Be sure to attend to see San Diego's teams perform these outstanding routines.
