Subject: PARKING JANUARY 28, 29 & 30

Game Empire, next to us, will be filming a nationwide televised State Farm commercial next week on January 28, 29 & 30. They will be filming all day on all 3 days.

There will be at least 3 motorhomes & over 100 people with their cars being used for this commercial.

We wanted to let everyone know that parking may be a little difficult those days due to the all trucks and filming equipment & people they will have there.

We are asking you to let your students know it may be a little chaotic to park those 3 days.
