

Our club has lost a long time member and friend, the lovely Wanda Vail.

Wanda and Lloyd met at the Swing Club 31 years ago. What a couple! Always gracious and polite to each other true love birds. I knew Wanda all my life yet I never could guess her opinion or knew what she would say on any topic till I asked her. A fascinating, powerful, intelligent beautiful woman. I'm so lucky to have had both Lloyd and my mother in my life.
