

SWING TIMES

A Publication of the San Diego Swing Dance Club

Dear San Diego Swing Club Members,

October is upon us, and the cool autumn breeze brings with it the warmth and energy of our incredible West Coast Swing community. As the days grow shorter, our dance floor lights up with the joy of connection, movement, and music.

First, I want to extend a huge thank you to everyone who attended our September events. Your enthusiasm and support keep our club vibrant and fun. A special shout-out to our guest instructors and volunteers—your contributions never go unnoticed and make every event truly special.

October promises even more excitement! Please mark your calendars for our upcoming Halloween-themed dance party on October 27th, where we'll be dancing the night away in costume. Whether you're a ghost, a superhero, or something completely unexpected, we can't wait to see you on the dance floor. There will be prizes for the best costumes, so get creative!

In addition, our weekly lessons continue to offer something for everyone—from those just stepping into the world of West Coast Swing to our more advanced dancers looking to refine their technique. As always, we're here to support your growth and ensure you have fun every step of the way.

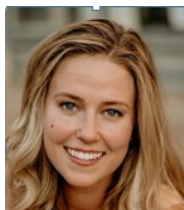

As the year begins to wind down, let's take a moment to reflect on how far we've come as a community and look ahead to all the wonderful things still to come. Whether you've been dancing with us for years or are just finding your rhythm, know that you're an integral part of this family.

Thank you for making this club the fantastic, welcoming place that it is. Let's keep the momentum going and make October another month to remember!

See you on the dance floor!

Warmly,

Vinh Mines, President, San Diego Swing Dance Club

Getting to Know Each Other Better Interviews with Meredith Anderson

This month I interviewed one of our first attendees of the San Diego swing dance club. Margret Fazio was there at the first few meetings and has had a long life full of the joy of dancing.

I was born in San Diego in 1936. My father was also born here and the house where he was born in still stands in Logan Heights.

When I was 16 in 1952 and going to San Diego high school, a friend of mine told me about an under 21 dance at the Armed Forces YMCA. That's where I started dancing. I went there almost every Saturday. I still have friends from that time.

After High School I went to beauty school and became a hairdresser. I stayed in the business for 50 years.

I met my husband at the YMCA. He was one of the first Navy Seals. We had two children, a boy Marc and a girl Lisa. I have 3 grandchildren and 4 great grandchildren.

I had a hip replacement about 10 years ago. I was diagnosed with colon cancer, which was removed, but they found a little on my liver which they are treating now. That's why I don't dance much. I don't have much energy. I come to the club because it makes me happy. I just sit and watch you have fun. I wouldn't miss it for the world!!!

Love to you all!

If you see Margaret and her friends at the table by the back door at her favorite seat, stop and say hello!

After my divorce my girlfriends and I would go dancing at nightclubs that had Jack and Jill contests. I never had dance lessons and just learned by dancing with dancers better than me. I won my fair share of contests.

I was at the first couple meetings of the SDSDC. I remarried and didn't do much dancing but soon I divorced and came back to my dancing. The girls and I would go to conventions and every once in a while I would go to LA to dance. One of the places was the Pressbox in Westminster. What fun!! *(Just as a side note, some of us still go to the Pressbox to dance WCS. It's a great crowd and like she said "What fun!")*
